

**POSTPONEMENT OF THE LFMC ANNUAL GENERAL MEETING
AND NOTICE TO RESCHEDULE TO SEPTEMBER 24, 2021, 7:00 pm**

23 August 2021

To all Members of the Levin Folk Music Club

Unfortunately we are no longer able to hold our AGM on August 27th as planned as a result of the COVID 19 Lockdown. At this stage it seems reasonable to aim for a date later in September, hopefully to allow for the COVID restrictions to be lowered. We would need to reach Level 2 before we would be able to hold the meeting. The 24th September would normally be our club night and we will reschedule the AGM to this date, dependent on permitted Covid levels.

We will keep you informed, but please be aware the committee must comply with government rulings in regard to gatherings.

Our concert night in September with Mike Harding, September 10th, will also need to be postponed if we are not at Level 2.

Take care of yourselves and keep music in your lives to brighten up some of those lockdown moments.

The Committee of the Levin Folk Music Club
